Dee was born in Waterbury CT, and her parents were schoolteachers. As a child she was very fond of her Boston bulldog named Peeper. Her family was very close knit and they did a lot together. She went to St. Mary's College at Notre Dame, where her roommate arranged a blind date with her fiancé's brother. So that is how she met me. We dated for many years, but cut our honeymoon short: I got an IW puppy a week before our wedding (long story!) and we had to get back to Florida. She fell in love with Paddy O'Leary, who lived with us for nine years in five different states. Then we had a beagle. Clara was ornery but was a good therapy dog for Dee's mother who stayed with us for extended periods. Clara then joined a hunting pack and we looked for another IW. Liz Bloor had three nice pups. So we decided to get Rory. But Dee reminded me that she wanted two puppies and would not settle for less. So we got Rory and Mariagh. Then we got Corky and Maeve, Morgan, Cedric, and a dozen or so others. My family thought I was being inconsiderate of Dee, with so many dogs; but they eventually found that she was the one behind it all. They were her children and she protected them savagely. Her special buddies took good care of her also. We were active in the PVIWC, went to lots of dog shows and had a ball. We finished a bunch of champions, raised a few litters of puppies and overall had a wonderful time. She found a big wooded lot in the country and helped build our barn and then our house. Life was never dull; we were never bored. It was a grand adventure!

AMERICAN KENNEL CLUB CERTIFICATION

Permission has been granted by the American Kennel Club for the holding of this event under American Kennel Club rules and regulations - James P. Crowley, Secretary

A Letter from the President:

It is my pleasure to welcome you to our 21st Specialty Show. This Specialty is a success as each of you have contributed to make it so. I want to thank you exhibitor, breeder, handler, club member, family and friend for participating in this Specialty.

It is important for me to recognize our Specialty judges, Ms. Sue Cole (conformation), Ms. Glynis Littlewood (Sweepstakes) and Ms. Patricia Hess (Obedience and Rally). **THANK YOU** for joining us as we bring this wonderful breed before you to examine.

Please enjoy the show and your visit in Maryland's lovely capitol, Annapolis, but most of all let us sit back and take in some Irish Wolfhounds.

On Monday, March 31st, the PVIWC will host an Exhibitor luncheon (time of the luncheon is at the Judge's discretion). On Sunday, March 30th, the IWF Heart Study will be on the grounds to do EKGs and BPs.

If you have any questions, concerns, or need help of any type, please do not hesitate to ask at the information table or any member of the PVIWC.

Please Enjoy the Show and Best Wishes to All!

Dee Brehl. To know her was to have a happy day, to feel the sunshine break through the clouds, to know that everything was going to get organized down to the last detail.

She gave everyone 300 percent of herself. She was dedicated to Bob and the wolfhounds and she shared her heart with the children she taught and loved.

She was part of the heart & soul of the Club working mostly behind the scenes without the need for public attention. Her keen

mind grasped details and issues that others missed while maintaining a calm appearance. She was a quiet diplomat.

She made the Boutique what it is today with her engaging personality and the sense of trust she exuded.

Most of all, she was about Bob and their dogs. We all thought it was Bob forcing her to live with all those hounds but we are now learning that it was Dee who could not say no, it was Dee who was addicted to the breed, it was Dee who raised and nurtured generation after generation of these proud hounds (with Bob helping).

Now we must bid you farewell from this place and know that you will be waiting to meet us on the other side of the Rainbow Bridge, surrounded by all of the many wolfhounds from your life. We look forward to the reunion Dee. Just make sure that we aren't late and that we brought everything, that the stove is turned off and the doors are closed and locked and all the other details you took care of for us are done.

Thanks Dee. We love you and miss you.

Ms. Glynis Littlewood

I was born in England and moved to the USA in 1976 with my husband and two children, a Labrador and a Shih Tzu. My husband was the one that wanted an Irish Wolfhound. It took us about one year to locate a puppy but finally had our first boy in 1980 from Bob and Janet May. Then several months later we got another pup from Ireland and so it began. Husband left and I carried on giving myself to this wonderful breed. Over the years I have been blessed with some wonderful hounds that have achieved their Championships including winning WB and BOS at our National Specialty. I have also won BOB at the IWADV Regional Specialty with my very special boy Rosslare's Sandor. I show in confirmation but many Rosslare hounds have done well in Obedience and on the Lure Coursing Field.

I showed my dogs for 10 years before I decided to breed my first litter. My love for this breed just keeps growing and I take a very serious view to health issues within our breed and try to do as much as possible to eradicate, in my breeding program, any health issues. I have several veterans, the oldest two being 10 years old.

I admire a beautiful shape with excellent movement and a hound that has both power and grace.

This is my first judging assignment; I am very excited to have been given the privilege to go over your special puppies.

Irish Wolfhound Breed Standard

General Appearance - Of great size and commanding appearance, the Irish Wolfhound is remarkable in combining power and swiftness with keen sight. The largest and tallest of the galloping hounds, in general type he is a rough-coated, Greyhound-like breed; very muscular, strong though gracefully built; movements easy and active; head and neck carried high, the tail carried with an upward sweep with a slight curve towards the extremity. The minimum height and weight of dogs should be 32 inches and 120 pounds; of bitches, 30 inches and 105 pounds; these to apply only to hounds over 18 months of age. Anything below this should be debarred from competition. Great size, including height at shoulder and proportionate length of body, is the desideratum to be aimed at, and it is desired to firmly establish a race that shall average from 32 to 34 inches in dogs, showing the requisite power, activity, courage and symmetry.

Head - Long, the frontal bones of the forehead very slightly raised and very little indentation between the eyes. Skull, not too broad. Muzzle, long and moderately pointed. Ears, small and Greyhound-like in carriage.

Neck - Rather long, very strong and muscular, well arched, without dewlap or loose skin about the throat.

Chest - Very deep. Breast, wide.

Back - Rather long than short. Loins arched.

Tail - Long and slightly curved, of moderate thickness, and well covered with hair.

Belly - Well drawn up.

Forequarters - Shoulders, muscular, giving breadth of chest, set sloping. Elbows well under, neither turned inwards nor outwards.

Leg - Forearm muscular, and the whole leg strong and quite straight.

Hindquarters - Muscular thighs and second thigh long and strong as in the Greyhound, and hocks well let down and turning neither in nor out.

Feet - Moderately large and round, neither turned inwards nor outwards. Toes, well arched and closed. Nails, very strong and curved.

Hair - Rough and hard on body, legs and head; especially wiry and long over eyes and underjaw.

Color and Markings - The recognized colors are gray, brindle, red, black, pure white, fawn or any other color that appears in the Deerhound.

Faults - *Too light or heavy a head, too highly arched frontal bone; large ears and hanging flat to the face; short neck; full dewlap; too narrow or too broad a chest; sunken or hollow or quite straight back; bent forelegs; overbent fetlocks; twisted feet; spreading toes; too curly a tail; weak hindquarters and a general want of muscle; too short in body. Lips*

or nose liver-colored or lacking pigmentation.

Feet, moderately large and round; toes, close, well arched.

Neck, long, well arched and very strong.

Chest, very deep, moderately broad.

You are greatly missed, My Big Boy!

"He is big and no worse than a stout man. Besides, it is part of his nature that he has man's wit, and he will bay at every man whom he knows to be thy foe, but never at thy friends. He can see, too, in any man's face whether he means thee well or ill, and he will lay down his life to be true to thee."

Icelandic Saga of Njal

MRS. SUE COLE
(CULKEERAN IRISH WOLFHOUNDS)

I fell in love with our breed in 1976 when I saw my first Irish Wolfhound, a seemingly gigantic shaggy hound dragging some poor soul around the village. Years of longing and hanging round the benches at shows followed until I was eventually in a position to have my own Wolfhound in 1986. My foundation bitch came from the Solstrand kennels of Dagmar Kenis in 1988 and over the years I have enjoyed the company of many more hounds. The first Culkeeran litter arrived in 1991 and to date I have bred and made up several champions, including the Crufts BOB in 2003 and Breed Club BIS winners. I started judging in the early 1990's and judged the Irish Wolfhound Club open show in 2003. I first awarded CCs in the breed in 2005 and have also had the pleasure of judging the Danish IW Specialty and the Belgian IW Club Young Dogs and Veterans Day.

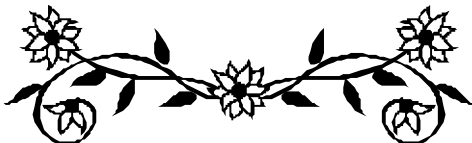

I have been a member of the UK Irish Wolfhound Club since 1986 and of the Irish Wolfhound Society since 1989. I am also a Committee member of the Irish Wolfhound Club and Secretary of the Hound Club of East Anglia, a club devoted to promoting hound breeds across the eastern counties of the UK. During the late 1990s I served as an Assistant IW Rescue Secretary.

I was lucky enough to befriend Peta Innes (Petasmeade IWs) in my early years in the breed and together we formed the 'Wolfhounds' group, a social gathering of wolfhound folk, both pet and show, keen to learn about all aspects of the breed including history, health matters, showing and general rearing. This was an invaluable learning curve for me, giving me the opportunity to get my hands on a great number of wolfhounds which helped lay the foundation of my judging career.

At present, apart from six Irish Wolfhounds, life is shared with a Dandie Dinmont Terrier as well as two very elderly PBGVs and a young GBGV (and a husband!).

I was lucky enough to be able to visit the IWCA National Specialty a few years ago where the UK contingent marveled at the quality and quantity of the American hounds present. I am very much looking forward to my visit to the Irish Wolfhound Club of the Potomac Valley and to once again meeting Irish Wolfhounds and their owners 'across the pond'.

The Irish Wolfhound Seizure Study

THE STUDY

The IW Seizure Study began in September of 1995 and is taking place at the University of Pennsylvania. The goals of the Study are to identify those Irish Wolfhounds who are affected with seizures and to categorize those seizures, to address the specific needs of those trying to make as good a life as possible for their hounds who are affected by the seizures, to collect as much pedigree information as possible to assist the geneticist and breeders, and to collect blood samples from affected hounds and their relatives for future DNA testing.

WHAT WE'RE DOING FOR THE HOUNDS

- We are seeking, through research, the mode of inheritance and the DNA markers for seizures.
- We offer information and assistance, even anonymously, if requested.
- A comprehensive list of resources is available on our website, including treatments, conventional and alternative medicines, books, articles, websites, information on foods, and other studies being undertaken.

WHAT YOU CAN DO FOR THE STUDY

- Enroll your seizure hound in the database.
- Participate in the annual Raffle.
- Check out the great items for sale on our fundraiser web pages
- Take part in the Breeder's Pledge.

MS. PATRICIA A. HESS
Obedience and Rally Judge

Dogs have been a very important part of my life for over 50 years. My first family dog as a child was a Great Dane, and we later acquired German Shepherds, which I still consider my first love. The first titles I earned on my dogs, Schutzhund I and II, were in Germany with a German Shepherd I purchased there. I have earned numerous other obedience titles on German Shepherds both in the US and Canada.

In 1974 I purchased my first Pembroke Welsh Corgi, and have been successfully showing them in both conformation and obedience since then. I am proud to have owned a number of homebred, owner-handled champions with obedience titles.

In 1977 I became an American Kennel Club obedience judge, and find satisfaction in all aspects of obedience; judging, training, showing and instructing. I first became approved to judge conformation in 1987, and am now approved to judge the Herding and Working groups, as well as Golden Retrievers. Recently, I have applied to judge more of the sporting breeds. I am also approved to judge all levels of Rally and am enjoying both judging and competing in it.

My club memberships include the Southern Maryland Kennel Club, Pembroke Welsh Corgi Club of America and the German Shepherd Dog Club of America, as well as being a life member of the Southern Maryland Dog Training Club and The Potomac Valley Pembroke Welsh Corgi Club. Professionally, I am a vice president and full time employee of a prominent Washington, D.C. area law firm.

Thank you for inviting me to judge at your shows, and enjoy these special days spent with your canine partners.

Take Notes on the Hounds:

Take Notes on the Hounds:

Caoimhe Briana Kavanagh O’Ros

August 30, 2002 – January 17, 2008

She was a Champion, a mother, a sibling, a friend and protector as well as a serious hunting bitch. She added so much to our home and our lives. She came to us as a puppy and took us into the show ring all over the circuit. Despite our inexperience at the other end of the leash, she showed with style and grace. When she won her championship, she looked at us as to say, “Where’s My Reward?”

She fell in love with a boy named Phoenix and together they made eight beautiful puppies. She blessed us by letting us share in every part of her life and she made sure that some of her children stayed at the homestead to carry on. She died unexpectedly due to complications following routine surgery taking a big part of our hearts with her.

The house is so much emptier without her and her puppies are growing to fill the space where she once held sway over us all. We’ll miss her for the rest of our lives. Goodbye Caoimhe.
