James P. Crowley, Secretary

On behalf of our entire club, I would like to welcome you to the 26th annual Potomac Valley Irish Wolfhound Club's Specialty Show. We are extremely grateful for your continuing attendance and support over these many years.

I would also like to welcome, and extend our deepest appreciation to our esteemed judges, Ms. Jean Malley (Conformation), Ms. Barbara "Berne" Smith (Sweepstakes), Mr. Donald Levinson (Obedience) and Mrs. Pat Fallon (Rally). Thank you for joining us and allowing us to bring this amazing breed before you for your evaluation.

Along with our judges, I would like to thank our Show Chair, Tammy McNeely-Aube, our Show Secretary, Carole Silverthorne, our Obedience and Rally Chair, Jodie Jeweler, as well as all of the committee chairs and committee members, for their tireless efforts in putting this show together. As many of you know, a show only lasts a few days, but the effort is year-round. The dedication of these people to our wonderful Wolfhounds can be easily seen in their attention to every detail of the show.

If you have questions, or need assistance of any kind, please do not hesitate to stop by our information table under the main pavilion, or reach out to any PVIWC club member.

For those that celebrate it, I wish you a joyous and blessed Easter.

Good luck to all of the competitors!!

Ainsea Irish Wolfhounds, UK

I have been a member of the Irish Wolfhound Club GB for over 30 years. I am currently the Chairman of the IW Rescue Trust for which I have been a member over 25 years.

From a small number of litters, Ainsea Irish Wolfhounds have been awarded more than 105 CC's & more than 50 RCC's, bred eight UK champions and nine abroad who have gone on to produce champions & made up two Ch's bred by others with ancestors from my lines. The latest champion going back to my lines is Richard & Carole Goodson's Ch Moralach the Gambling Man. Most notably, Bran Beag gained 37 CC's and 25 RCC's, and is still runner up to the breed record holder. He was BIS Windsor under renowned American judge Annie Rogers-Clarke, he also won many groups and Club Show wins. We are thrilled that our dog's names are on the Graham and the Irish Guards Shields for perpetuity alongside many famous hounds of the past and present. The boys have been top IWs on many occasions and the girls top bitches in the breed. Bran Beag & Diplomat are still amongst the top 5 highest CC winners in our breed in UK.

Taking a break from the show ring to build our house, I came back in the ring in 2008 with a young female, Gipsy, from our first litter in over 6 years. Gipsy was taken out for the first time at 16 months, at her 2nd show aged 17 months she gained RCC. In the next 6 outings, she gained 3 RCC's and 2 RBIS at Club shows; her brother Phoenix Nights was out four times, with class wins and 3 Hound Group wins.

I have been honoured to have judged Club Specialties in France, Germany, Belgium, Netherlands, Scandinavia, South Africa, the Russian Club, UK IW Club Specialty, European Federation of IW Clubs in Slovenia, the Austrian Sighthound Club IW Specialty in 2009, and the Czech Republic IW Specialty. In the United States, I have judged at the IW Clubs of New England, Delaware Valley and Puget Sound. My latest judging honour was Crufts 2013, where I judged our breed. It was such an honour to have so many wonderful hounds brought for my assessment from UK and abroad.

As well as the Irish Wolfhounds, I am certified to award CC's in Borzoi, Deerhound, Greyhound and Rhodesian Ridgeback, also in 2014 Grand Basset Griffon Vendeen, although the latter 2 are not Group 10 breeds, but are in the Hound Group in UK under our Kennel Club regulations.

I look forward to your show and thank you the opportunity to assess your hounds.

Jean Malley

*Judge: Mr. Donald Levinson Judge #4454*

I started showing in obedience in 1974, and judging in 1985.  
Have put obedience titles on 8 dogs, all Dobermans. I have been  
a jeweler for 30 years and am currently retired, live with 2 Dobs,  
a ten year old that has her UD and a three year old that is a breed  
Champion and has her CD, and is almost ready for open.

I wish everyone the best of luck and hope to see some fine  
working Irish Wolfhounds.

### **Sunday, March 31st, Ring Two**

*Judge: Mrs. Pat Fallon*

I have been owned by toy dogs since 1984 (five Yorkshire Terriers and one Papillon). We started taking obedience classes because our first dog listened to me but thought my husband's requests were optional. So, Larry brought Dusty to school and I sat outside the training area. Almost a year later I was going to the "Level III" classes and an instructor thought I should see an obedience trial. Dusty and I entered our first obedience trial in 1986 (she was brilliant in the individual exercises – but could not hold her stays). On the one year anniversary of our first time in the ring (about our sixth trial), Dusty earned her CD with a first place at the York Kennel Club. The five Yorkshire Terriers that have shared their lives with us have been fun and challenging to train. These five girls have earned four AKC Good Citizen Certificates, four AKC CD, two AKC CDX, one AKC RN-RAE5, two UKC CD, one UKC CDX, two UKC CH, one CDSP CD, one CDSP CDX, one CDSP UD and one APDT RL1-RL3. Three of my dogs have been active Therapy Dogs. Dusty and I could not seem to earn a third leg in Utility (although we tried until she was 12 years old). Billie and I retired from Utility in 2012 after a few years, several trials and no qualifying scores.

I have served in various capacities for various clubs: obedience instructor, rally instructor, obedience match judge, trial secretary (AKC specialty, UKC obedience, AKC obedience and rally), board member, and Treasurer. I am enjoying judging rally (AKC, UKC and APDT) and obedience (CDSP).

I am a member of the Obedience Training Class of Harrisburg, York County Dog Training Club, Canine Training Association, Dauphin Dog Training Club, Yorkshire Terrier Club of the Nation's Capital, Yorkshire Terrier Club of America, Delaware Valley Yorkshire Terrier Club, Eastern Stewards, and Mid-Atlantic Stewards. I have served on the Board of the Pennsylvania Federation of Dog Clubs as the Treasurer since 2009.

## *The Standard of Excellence for the Irish Wolfhound*

**General Appearance** -- Of great size and commanding appearance, the Irish Wolfhound is remarkable in combining power and swiftness with keen sight. The largest and tallest of the galloping hounds, in general type he is a rough-coated, Greyhound-like breed; very muscular, strong though gracefully built; movements easy and active; head and neck carried high, the tail carried with an upward sweep with a slight curve towards the extremity. The minimum height and weight of dogs should be 32 inches and 120 pounds; of bitches, 30 inches and 105 pounds, these to apply only to hounds over 18 months. Anything below this should be debarred from competition. Great size, including height at shoulder and proportionate length of body, is the desideratum to be aimed at, and it is desired to firmly establish a race that shall average from 32 to 34 inches in dogs, showing the requisite power, activity, courage and symmetry.

**Head** -- Long, the frontal bones of the forehead very slightly raised and very little indentation between the eyes. Skull, not too broad. Muzzle, long and moderately pointed. Ears, small and Greyhound-like in carriage.

**Neck** -- Rather long, very strong and muscular, well arched, without dewlap or loose skin about the throat.

**Chest** -- Very deep. Breast, wide. **Back** -- Rather long than short. Loins arched. **Tail** -- Long and slightly curved, of moderate thickness, and well covered with hair.

**Belly** -- Well drawn up.

**Forequarters** -- Shoulder, muscular, giving breadth of chest, set sloping. Elbows well under, neither turned inwards nor outwards. **Leg** -- forearm muscular, and the whole leg strong and quite straight.

**Hindquarters** -- Muscular thighs and second thigh long and strong as in the Greyhound, and hocks well let down and turning neither in nor out.

**Feet** -- Moderately large and round, neither turned inwards nor outwards. Toes, well arched and closed. Nails, very strong and curved.

**Hair** -- Rough and hard on body, legs and head; especially wiry and long over eyes and under jaw.

**Color and Markings** -- The recognized colors are gray, brindle, red, black, pure white, fawn, or any color that appears in the Deerhound.

**Faults** -- Too light or heavy a head, too highly arched frontal bone; large ears and hanging flat to the face; short neck; full dewlap; too narrow or too broad a chest; sunken or hollow or quite straight back; bent forelegs; overbent fetlocks; twisted feet; spreading toes; too curly a tail; weak hindquarters and a general want of muscle; too short in body; lips or nose liver-colored or lacking pigmentation
