On behalf of our entire club, I would like to welcome you to the 27th annual Potomac Valley Irish Wolfhound Club's Specialty Show. We are extremely grateful for your continuing attendance and support over the many years we've been putting on this show. We hope you enjoy our new location within the Harford County Equestrian Center!

I would also like to welcome, and extend our deepest appreciation, to our esteemed judges, Ms. Roni Kaluza (Conformation), Ms. Robin Pline (Sweepstakes), and Ms. Nancy Withers (Obedience & Rally). Thank you for joining us and allowing us to bring this amazing breed before you for your evaluation.

Along with our judges, I would like to thank our Show Chair, Cecilia Hoffman, our Show Secretary, Carole Silverthorne, our Obedience and Rally Chair, Jodie Jeweler, as well as all of the committee chairs and committee members, for their tireless efforts in putting this show together. As many of you know, a show only lasts a few days, but the effort to put one on, is year-round. The dedication of these people to our wonderful Wolfhounds can be easily seen in their attention to every detail of the show.

If you have questions, or need assistance of any kind, please do not hesitate to stop by our information table under the main tent, or reach out to any PVIWC club member.

Please enjoy our show and the opportunity to spend time with good friends, both two and four-legged.

Good luck to all of the competitors!!

## Sweepstakes Judge Ms. Robin Pline

For as long as I can remember, dogs have been a part of my life. I grew up with mixed breeds, and was one who always brought home strays for which to find homes for. They helped me find my career as a vet tech. Wolfhounds were a breed that I had read about and dreamed of having 'someday'.

When I was in college, a few wolfhounds came through the clinic at MSU while I was doing rounds. My love for them grew infinitely while working with these truly gentle giants. When college was done and I

found my first job as a Veterinary Technician, a wolfhound walked through the door at my new clinic. It just happened to be one of Gretchen Bernardi's hounds. I decided then that my 'someday' would be now.

After many phone calls and visits with many breeders, I met Jodi Alward. Jodi blessed us with our first wolfhound, Woldane Brachen Tomahawke, in 1995. Through showing her, we met many more people who have been true friends for years. Bracken's true wolfhound patience taught me about showing and the pure wolfhound spirit.

I have been showing and breeding hounds since that time. Living with hounds has expanded my life in more ways than I could have every imagined. Even now, the best part of the day is to come home and be greeted by all their smiling faces and wagging tails!

Thank you for honoring me with the invitation to have fun judging your puppies!

## Breed Classes Judge Ms. Roni Kaluza

From the time I saw my first IW as a teenager, I knew that through the rest of my life, these dogs would be my companions. What I did not realize then was that as a bonus to the pleasure the dogs themselves give me, I'd be enriching my life with a circle of friendship with other hound owners.

I finally acquired my first IW in 1973 while living on the west coast, and bred my first litter in 1976. Since then, I've bred on average once every three years, and have produced or owned around 35 champions, including some who have achieved high honors at specialties. Randy and I currently have 3 wolfhounds and one PBGV, all of whom live in the house.

AKC first approved me to judge in 1999, and I now judge four breeds. For me, judging is a way of giving something back to this sport that has given me so much. I am always flattered and humbled by the number of people who bring me their dogs, asking for my opinion. I was particularly delighted to be invited to judge this specialty.

## Obedience / Rally Judge Mrs. Nancy K Withers

It's hard to believe how much an ad in the "Pets for Sale" section of our local newspaper in February, 1978 has changed my life! From that ad I purchased my first Shetland Sheepdog who, along with three other of my Shelties earned their

American and Canadian Utility degrees. Up until recently I have only owned Shelties, but now I am also the proud owner of a Pembroke Welsh Corgi, "Tucker" who is working on advanced herding titles, and I am training him in obedience. Prior to becoming a judge I put obedience titles on a Pug, Kuvasz, Border Terrier, Golden Retriever & a Corgi. Several other of my own dogs have also earned CD's as well as herding titles and a tracking title. I judged my first AKC obedience trial in 1992, and am approved for all obedience classes in the U.S. and Canada, as well as all Rally classes.

I have been an active member of the Berks County (Pennsylvania) Dog Training Club since 1978, and have served in most every office and club position. Have been a member of Interstate Shetland Sheepdog Club since 1980, and ASSA since 1984. I've also been very active in both organizing and behind the scenes work in various tournaments and regional obedience competitions.

Enjoy the camaraderie of your friends, old and new, these next few days, and best of luck to all exhibitors! Thank you for inviting me to judge!

*Nancy Withers*

## *The Standard of Excellence for the Irish Wolfhound*

## Notes

**General Appearance** -- Of great size and commanding appearance, the Irish Wolfhound is remarkable in combining power and swiftness with keen sight. The largest and tallest of the galloping hounds, in general type he is a rough-coated, Greyhound-like breed; very muscular, strong though gracefully built; movements easy and active; head and neck carried high, the tail carried with an upward sweep with a slight curve towards the extremity. The minimum height and weight of dogs should be 32 inches and 120 pounds; of bitches, 30 inches and 105 pounds, these to apply only to hounds over 18 months. Anything below this should be debarred from competition. Great size, including height at shoulder and proportionate length of body, is the desideratum to be aimed at, and it is desired to firmly establish a race that shall average from 32 to 34 inches in dogs, showing the requisite power, activity, courage and symmetry.

**Head** -- Long, the frontal bones of the forehead very slightly raised and very little indentation between the eyes. Skull, not too broad. Muzzle, long and moderately pointed. Ears, small and Greyhound-like in carriage.

**Neck** -- Rather long, very strong and muscular, well arched, without dewlap or loose skin about the throat.

**Chest** -- Very deep. Breast, wide. Back -- Rather long than short. Loins arched.

**Tail** -- Long and slightly curved, of moderate thickness, and well covered with hair.

**Belly** -- Well drawn up.

**Forequarters** -- Shoulder, muscular, giving breadth of chest, set sloping. Elbows well under, neither turned inwards nor outwards. Leg -- forearm muscular, and the whole leg strong and quite straight.

**Hindquarters** -- Muscular thighs and second thigh long and strong as in the Greyhound, and hocks well let down and turning neither in nor out.

**Feet** -- Moderately large and round, neither turned inwards nor outwards. Toes, well arched and closed. Nails, very strong and curved.

**Hair** -- Rough and hard on body, legs and head; especially wiry and long over eyes and under jaw.

**Color and Markings** -- The recognized colors are gray, brindle, red, black, pure white, fawn, or any color that appears in the Deerhound.

**Faults** -- Too light or heavy a head, too highly arched frontal bone; large ears and hanging flat to the face; short neck; full dewlap; too narrow or too broad a chest; sunken or hollow or quite straight back; bent forelegs; overbent fetlocks; twisted feet; spreading toes; too curly a tail; weak hindquarters and a general want of muscle; too short in body; lips or nose liver-colored or lacking pigmentation
