Irish Wolfhound Breed Standard

Hound Group

General Appearance

Of great size and commanding appearance, the Irish Wolfhound is remarkable in combining power and swiftness with keen sight. The largest and tallest of the galloping hounds, in general type he is a rough-coated, Greyhound-like breed; very muscular, strong though gracefully built; movements easy and active; head and neck carried high, the tail carried with an upward sweep with a slight curve towards the extremity. The minimum height and weight of dogs should be 32 inches and 120 pounds; of bitches, 30 inches and 105 pounds; these to apply only to hounds over 18 months of age. Anything below this should be debarred from competition. Great size, including height at shoulder and proportionate length of body, is the desideratum to be aimed at, and it is desired to firmly establish a race that shall average from 32 to 34 inches in dogs, showing the requisite power, activity, courage and symmetry.

Head

Long, the frontal bones of the forehead very slightly raised and very little indentation between the eyes. Skull, not too broad. Muzzle, long and moderately pointed. Ears, small and Greyhound-like in carriage.

Neck

Rather long, very strong and muscular, well arched, without dewlap or loose skin about the throat.

Chest

Very deep. Breast, wide.

Back

Rather long than short. Loins arched.

Tail

Long and slightly curved, of moderate thickness, and well covered with hair.

Belly

Well drawn up.

Forequarters

Shoulders, muscular, giving breadth of chest, set sloping. Elbows well under, neither turned inwards nor outwards.

Leg

Forearm muscular, and the whole leg strong and quite straight.

Hindquarters

Muscular thighs and second thigh long and strong as in the Greyhound, and hocks well let down and turning neither in nor out.

Feet

Moderately large and round, neither turned inwards nor outwards. Toes, well arched and closed. Nails, very strong and curved.

Hair

Rough and hard on body, legs and head; especially wiry and long over eyes and underjaw.

Color and Markings

The recognized colors are gray, brindle, red, black, pure white, fawn or any other color that appears in the Deerhound.

Faults

Too light or heavy a head, too highly arched frontal bone; large ears and hanging flat to the face; short neck; full dewlap; too narrow or too broad a chest; sunken or hollow or quite straight back; bent forelegs; overbent fetlocks; twisted feet; spreading toes; too curly a tail; weak hindquarters and a general want of muscle; too short in body. Lips or nose liver-colored or lacking pigmentation.

List of Points in Order of Merit

1. *Typical.* The Irish Wolfhound is a rough-coated Greyhound-like breed, the tallest of the coursing hounds and remarkable in combining power and swiftness.
2. *Great size* and commanding appearance.
3. Movements easy and active.
4. Head, long and level, carried high.
5. Forelegs, heavily boned, quite straight; elbows well set under.

6. Thighs long and muscular; second thighs, well muscled, stifles nicely bent.
7. Coat, rough and hard, especially wiry and long over eyes and under jaw.
8. Body, long, well-ribbed up, with ribs well sprung, and great breadth across hips.
9. Loins arched, belly well drawn up.
10. Ears, small, with Greyhound like carriage.
11. Feet, moderately large and round; toes, close, well arched.
12. Neck, long, well arched and very strong.
13. Chest, very deep, moderately broad.
14. Shoulders, muscular, set sloping.
15. Tail, long and slightly curved.
16. Eyes, dark.

Note--The above in no way alters the "Standard of Excellence," which must in all cases be rigidly adhered to; they simply give the various points in order of merit. If in any case they appear at variance with Standard of Excellence, it is the latter which is correct.

BRED BY EXHIBITOR (BBE) CLASS ELIGIBILITY (REVISED 09/02)

The Bred-by-Exhibitor Class shall be for dogs that are:

- Six months of age or older as of the first day of the show;
- Not Champions of Record on the date of closing of entries for the show;
- Individually registered with the American Kennel Club as of the date of closing of entries for the show;
- Owned or Co-owned by any of the breeders of record as of the date of the closing of entries for the show;
- The person handling the dog in this class must be a breeder of record and an owner of record of this dog;
- In any subsequent classes for which the dog from the Bred-by-Exhibitor class becomes eligible, there are no restrictions as to who may handle the dog.

AMATEUR-OWNER-HANDLER ELIGIBILITY

For dogs that are at least six months of age that are not champions. Dogs must be handled in the class by the registered owner of the dog. This class is restricted to exhibitors who have not, at any point in time, been a professional dog handler, AKC approved conformation judge, or employed as an assistant to a professional handler. Additionally, members

of the immediate family or household of a current professional handler are ineligible for this class (as defined in Chapter 11, Section 13, AKC Rules for Dog Shows)

NON-REGULAR CLASSES INVOLVING SINGLE DOG ENTRIES

Veteran Classes — Class for dogs and class for bitches six (6) years or older. Entry Fee is \$27.00.

NON-REGULAR CLASSES INVOLVING MULTIPLE DOG ENTRIES

NOTE: "Effective for all shows held on or after July 1, 1980, dogs which according to their owner's records have completed requirements for a championship after the closing of entries for the show, but whose championships are unconfirmed, may be transferred from one of the regular classes to the Best of Breed competition, provided this transfer is made by the Superintendent or Show Secretary at least one half hour prior to the start of any regular conformation judging at the show."

NON-REGULAR CLASSES INVOLVING MULTIPLE DOG ENTRIES

Stud Dog Class — For Stud Dogs and two of their Get. It is not necessary that the get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered separately in one of the other regular classes, or, if a Champion of Record, in Best of Breed competition, but MUST be entered in the Stud Dog Class. The Get MUST be entered in one of the regular classes. The Stud Dog shall be considered as one entry and requires one entry fee, this being the regular fee plus the additional class fee if the Stud Dog is entered in another class. The Stud Dog must be shown in the ring with the Get. The Class will be judged on the merits of the Get.

Brood Bitch Class — Same as for Stud Dog, except substitute Brood Bitch for Stud Dog and Produce for Get.

As the Judge's decision in the Non-Regular classes involving Multiple Dog Entries is based on the merits of more than one dog or pitch, no one of the dogs or bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won these classes.

Brace Class — Two dogs of the same Breed with at least one common owner. Note that this is a relaxation of the previous AKC ruling regarding "identical ownership." If a dog which is to be part of a brace is not entered in another class, it must be entered for "Brace Only." The dogs comprising a brace MUST be named at the time of entry. In making entries for "Brace Class Only" full particulars must be given for each dog on individual entry forms. An entry form for a dog entered in another class or for best of Breed and entered as part of a brace MUST be marked accordingly in the space provided for Additional Classes "Brace Class." If more than one brace is entered by the identical owner, the dogs comprising EACH Brace must be so designated — Brace No. 1,, Brace No. 2, etc.

**ALL TROPHIES MUST BE CLAIMED BEFORE THE CLOSING OF THE SHOW
AT WHICH TIME THEY BECOME FORFEITED. NONE WILL
BE MAILED.**

Unless otherwise specified the following trophies are offered by the Potomac Valley Irish Wolfhound Club (PVIWC) through the generosity of its members and friends.

Sweepstakes

Judge: Ms. Jamie Souza Bartlett

The Sweepstakes is open to all Irish Wolfhounds who are six months old and under eighteen months of age on the day of the show. Indicate your sweepstakes Class with the age division in the space provided for "Additional Classes". Champions of Record may not be entered in Sweepstakes. **Entry fee is \$11.00.**

SWEEPSTAKES COMPETITION

Judge: Mrs. Jamie Souza-Bartlett

My mom received her first Irish Wolfhound 32 years ago when I was 2, and I have been involved with the breed ever since. The first time I entered the show ring with an IW was at the NCIWC specialty in 1984, and I have been actively involved with the breeding and handling of our Limerick Irish Wolfhounds from that time. In 1986, I received my first Whippet and continue to be active in that breed under the same kennel name. As a child and teenager, I devoted all of my extra time to the sport of dogs. I worked for Patricia Trotter (Craigie) of Vin Melca fame for four years, and when I was in eighth grade, I went to work for Mary Dukes - arguably the world's most famous Whippet handler. Aside from this challenging weekend work, I also become deeply involved in junior handling presenting Whippets, Irish Wolfhounds and Salukis. In 1992, I was awarded California Junior Handler of the Year, and in 1993, I won the World Series of Junior Handling and was sent to both Crufts and the World Show as a representative of the US. I presented an Irish Wolfhound at both of those competitions, the later of which I was given the honor of showing the influential Int BL NL Ch Quincy of Kilmarra. At this same show, I coordinated the breeding of Quincy's sister to our Noll, the product of which became Limerick's first all-breed Best In Show winner. Since that time, I have had the privilege of campaigning a Multiple Best In Show, Specialty Best In Show and Westminster Best of Breed winning English Cocker Spaniel and a Specialty Best In Show winning Whippet, while simultaneously handling our Limerick hounds at the many shows and specialties we attend throughout the year. I was also the breeder, owner and handler of the 2003 Irish Wolfhound Club of America Best of Breed winner. I can say, without a doubt, that win was the absolute highlight of my career in dogs! Thank you for allowing me the opportunity to judge your hounds!

Judge: Espen Engh

Espen Engh was born into a family of sighthound fanciers, greyhounds having been part of the household for many years before his birth. Espen's first own greyhound was born in 1966. Since 1975 he has been breeding with his mother under the Jet's prefix, making up a total of 160 homebred greyhound champions in 58 countries around the world. This includes 70 FCI international champions, more than 30 Best in Show-winners, a line of seven consecutive generations of Best In Show-winning bitches, BOB-wins at numerous specialties, Crufts, Westminster and several FCI World Shows.

Espen was approved to judge at championship show level in 1987. He has since judged sighthound in the following countries: Australia, Austria, Azerbaidjan, Belgium, Belarus, Bosnia-Herzegovina, Brazil, Bulgaria, Canada, Colombia, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Gibraltar, Greece, Hungary, Iceland, Ireland, Israel, Italy, Japan, Kazakhstan, Latvia, Lithuania, Luxembourg, Macedonia, Malta, Mexico, Moldova, Monaco, Montenegro, Morocco, the Netherlands, New Zealand, Norway, the Philippines, Poland, Portugal, Romania, Russia, San Marino, Serbia, Singapore, Slovakia, Slovenia, South Africa, Spain, Sweden, Switzerland, United Kingdom (England, Northern Ireland, Scotland and Wales), Ukraine, Uruguay and USA with forthcoming appointments in Venezuela, Costa Rica and Georgia.

He has judged more than 120 specialties, including several Wolfhound specialties and US national or parent club specialties for Borzois, Greyhounds, Pharaoh Hounds, Salukis, Scottish Deerhounds and Whippets. He has judged Irish Wolfhounds at the FCI World Show and is due to judge them again at the World Show in Paris 2011 (males) and in Salzburg 2012 (bitches).

A veterinarian by education and currently working in the Norwegian Kennel Club, Espen is very much looking forward to judging the Irish Wolfhounds over this week-end.

We're located in historic downtown Frederick, among the shops and restaurants of Shab Row and Everedy Square. Stop by soon for a tour and wine tasting. Come and see why 'vintage' now means more than antiques. The purchase of Catoctin Vineyards (over three years ago), provides decades of award-winning wines to our repertoire. Be sure to come by and taste our Cabernet Sauvignon, Riesling and Eye of the Oriole – whatever your tastes, Frederick Cellars has a wine to fit your desires.

Biography

Michael Mooney #7395

I am a 51 year old divorced father of one grown daughter who resides in nearby Woodbridge Va. I am currently owned by one Powderpuff Chinese Crested Maestro's Dee Oh Gee at Wagayo RN, CGC and a purebred Devon Rex cat named Floyd. I began life in Inglewood California and as a military family we moved frequently and made to Maryland in 1979 and my current home in Reisterstown in 2009. I obtained my first show dog, a black and white long coat Chihuahua (Ch. Jones Mia Mascarilla) in May of 1970. This dog became a foundation bitch of my parents well known Miclanjo Chihuahuas.

I saw my first living Chinese Crested in 1984 at the Old Dominion Kennel Club with Shirley Merrill and knew instantly I had to have one someday. In 1986 I got my first crested Miclanjo Kimi Wagayo UD who was the first AKC titled bitch in breed history when she earned her CD in 1988. Kimi became the fourth UD in breed history in 1996. She was the mother of Wagayo's Melody of Love UD, the sixth UD in breed history and these girls are to date the only related UD's in breed history. I was the first of four people to have multiple UD titled Cresteds and to date am the only man in the US to earn a Utility title on a Chinese Crested. A third generation Girl CH. Wagayo's Tally Ho CDX/RA was my second homebred champion and my only well rounded dog (one with a title on both ends). I have also titled a Collie to a CD and an Australian Shepherd to a UD.

Best wishes for a successful show.

Farewell, big man! LIMERICK O'ROS RN CD CGC TDI

He was my BIG dog & my best bud; there will never be another like him. He truly embodied the "great size and commanding appearance" required by our standard. Limerick was my loveable rogue- he earned his nickname by chance, but it fit. Cory couldn't say Limerick- it came out as Lim-ah-wick and "Wicked" he soon became, and that became "Wickie." He earned his RN in 2005, and his CD in 2007. Then he had a career as a therapy dog and breed ambassador. Wickie's calm, gentle demeanor made him the playground monitor at the park & the "safe" dog for reactive dog or childrens' safety classes all over MD. He never met a dog or person he didn't love, especially little girls and poodles. Limerick was happy to be uncle & mentor for Corky. Having Corky made Wickie's last months much happier. He began declining in April '09. After a short battle with Osteosarcoma, on July 5, after spending the afternoon playing with Corky, he decided it was time to go be with Dylan, Dee & the rest of his family. He died peacefully in my arms surrounded by his loved ones. And in another twist of fate, his littermate JP sired a litter which was born 2 weeks later! One little boy looked just like Limerick, and he invited himself into my heart the minute he met me. AS A CHEILE O'ROS, whose name means "one after another" in Gaelic, called Kelly, brings us joy daily, as we see both the past and the future in him.

NOTICE

Brief ***IWCA*** Meeting

During Lunch Break

Monday, 29 March

Place to be announced depending on weather

Meeting agenda:

As the local clubs are the first line we need you all to work collectively and individually to achieve the goal of protecting our breed from threats and the general lack of education. Because the IWCA has the responsibility to give permission for local clubs to have their shows we are linked and we need to be linked in many other ways.

*We want a current and future network from the individual, through the local clubs with the inclusion of the national club for:
We need to work together to protect our breed from the threats of HSUS and PETA .We must all contribute individually, and as local clubs, and the national club to be aware of pending state legislature. Each club (we hope) has a legislative liaison, and Nancy White, the National club's Legislation chair welcomes all help.
