Single Dog Entry Non-Regular Class:
Class will be provided for both dogs and bitches:

Veterans Class (6+ years)

Non-Regular (Additional) Classes Involving Multiple Dog Entries:

As the judge’s decision in the Non-Regular Classes involving Multiple Dog Entries is based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won these classes.

STUD DOG CLASS — For Stud Dog and two of his Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered separately in one of the regular classes, or if a Champion of Record in Best of Breed Competition, but MUST be entered in the Stud Dog Class, the Get MUST be entered in one of the regular classes. The Stud Dog shall be considered as one entry and requires one entry fee, this being the regular fee plus the additional class fee if the Stud Dog is entered in another class. The Stud Dog must be shown in the ring with the Get. The class will be judged on the merits of the Get.

BROOD BITCH CLASS — Same as for the Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get.

BRACE CLASS — Two dogs of the same recognized breed or variety that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs competing in brace competition must have at least one common owner.

TEAM CLASS - Four dogs of the same recognized breed or variety that are similar in appearance, performing in unison, and presented by a maximum of four handlers. All dogs competing in team competition must have at least one common owner.
AKC Definitions
Definitions are from the AKC Rules Applying to Dog Shows, Chapter 3, Dog Show Classifications.

NOVICE:
SECTION 7. The Novice Class shall be for dogs six months of age and over, which have not, prior to the date of closing of entries, won three first prizes in the Novice Class, a first prize in Amateur Owner Handler, Bred-by-Exhibitor, American-bred, or Open Classes, nor one or more points toward their championships.

AMATEUR OWNER HANDLER:
SECTION 8. The Amateur Owner Handler class shall be for dogs that are at least six months of age that are not champions. Dogs must be handled in the class by the registered owner of the dog. This class is restricted to exhibitors who have not, at any point in time, been a professional dog handler, AKC approved conformation judge, or employed as an assistant to a professional handler. Additionally, members of the immediate family or household of a current professional handler are ineligible for this class (as defined in Chapter 11, Section 13).

Professional handlers are defined as any person who belongs or has belonged to a professional handlers’ organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay.

AMERICAN BRED:
SECTION 9. The American-bred Class shall be for all dogs (except champions) six months of age and over, whelped in the United States of America, by reason of a mating which took place in the United States of America.

NON-REGULAR COMPETITIVE CLASSES:
RULES CH 3, SECTION 13 Non-regular classes involving single dog entries such as Veterans or Field Trial classes are judged before Best of Breed. The winner of the class, if otherwise undefeated, is eligible to compete for Best of Breed. A champion may occasionally be entered both in a single dog entry non-regular class and Best of Breed. In such cases, if the dog is defeated in the non-regular class, it may not compete for Best of Breed or for Best of Opposite Sex to Best of Breed.

OBEEDIENCE CLASSES:
Beginner Novice A and B, Preferred Novice, Preferred Open, Preferred Utility, Graduate Novice, Graduate Open, and brace.

RALLY CLASSES:
