#3 – 4

#4 - 2

Best Head

#1 – 3

#2 – 1

#3 – 2

#4 – 4

Wolfhound in scenery

Two photos caught my attention and heart – the human and hound both gazing in the same direction and the hound looking over her shoulder with the pink tree in background. I thought all the pictures had thoughtful composition but those two caught my eye 😊

Sleeping Position

The single photo of the sleeping position is fabulous. So many of our hounds rest this way and I always find it humorous.

Thank you so much for allowing me to judge this ingenious remote match.
